

## DR. RACHEL BOWLUS, PBS BIOLOGY AND PRE-VETERINARY MEDICINE, DVM, DACVR

**Current/Most Recent Career Position:** Veterinarian

**Community of Residence:** Middleton Township

Dr. Bowlus is originally from Perrysburg, Ohio. She obtained her DVM degree at The Ohio State University College of Veterinary Medicine in 2002 and graduated summa cum laude. In 2002, she was accepted into the internship program at Wheat Ridge Animal Hospital in Denver, CO. Rachel moved to Manhattan, Kansas in 2003 for a residency in radiology at Kansas State University. She was board certified in veterinary radiology in 2007. Her research interest was musculoskeletal MRI. She has received extensive training in cross-sectional imaging and especially enjoys ultrasonography. Rachel worked with general practice clinics and with multiple specialty and emergency centers in Colorado from 2007-2011. She began work as a Teleradiologist in 2011-present, consulting in veterinary imaging cases worldwide. After moving back home to Perrysburg, Ohio in 2017, Dr. Bowlus formed her own veterinary radiology practice to provide radiology services to veterinary practitioners in Northwest Ohio.
