

## NILGUN SEZGINIS, PHD, MPH, BS, RHIA VICE-PRESIDENT

**Current/Most Recent Career Position:** Senior Lecturer/Health Information Administration Program Director

**Community of Residence:** Northwood

Dr. Sezginis has been serving on the BOH since March 2013. She completed her MPH Internship at WCHD in 2008; worked on projects with the health commissioner and directors. Her extensive background in health care audit/compliance, privacy/security, billing/reimbursement allowed her to contribute to the audit of the health clinic's billing process and the development of HIPAA training programs for employees. In her tenure, she participated in the CHA, PH Accreditation process, served on the Obesity Task Force, represented the WCHD at Wood County (WC) Health Fairs, and participated at Covid-19 vaccination clinics provided by the WCHD at various county locations. She was instrumental and supported the dental health clinic's start-up at WC that was needed to meet the underserved population's dental health care needs. She is a member of the APHA, completed her doctoral degree in Health Education, and feels that promoting and improving healthy behaviors leads to healthier communities.
