

## RICHARD STROW

OHIO AND FEDERAL CCA LICENSE, OHIO DEPT  
AG PESTICIDE AND FERTILIZER LICENSE

**Current/Most Recent Career Position:** Staff agronomist  
Ridgeville elevator

**Community of Residence:** Custar

I bring 35 years of Agricultural Advising Experience to our board, both in cropping and livestock production. Having a focus on a healthy and safe food supply is one of my primary concerns when it comes to making Wood County a great place to live. Agriculture is the largest industry in Wood County and I am proud to bring my experience to our Health Department.
