

Wood County Health Department

DALLAS F. ZIEGLER, B.S.

Current/Most Recent Career Position: Transportation and Purchasing Manager

Community of Residence: North Baltimore, Bloom Township

I have been on the Wood County Health Department Board of Health for 17 years. I worked as Transportation and Purchasing Manager at Atlas Crankshaft in Fostoria for 30 years, from 1967 to 1997.

I served on Elmwood School board for eight years. From 2002 to 2021, I worked as a substitute school teacher, putting in about 180 days per year in Elmwood, North Baltimore, Arcadia, McComb, VanBuren, Bowling Green, JDC, JRC and CRC. My teaching experience allowed me to experienced positive interactions between administrators, school teachers and students. I also enjoyed helping students of all ages and abilities develop mental and physical skills to deal with life after graduating from school.

My Board of Health experiences exposed me to Board Members and Administrators and effective techniques for managing people and organizations.

I am a homeowner and own 59 acres of farmland.
