

Consumer Advisory

*Eating raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness. Young children, pregnant women, older adults and those who have certain medical conditions are at greater risk.

(* Denotes that Consumer Advisory disclosure shall include identification of the animal derived foods by asterisking them to a footnote that states that the items are served raw or undercooked, or may contain raw or undercooked ingredients as required by Ohio Uniform Food Safety Code 3717-1-03.6(2)(b).
